

MISSION-Hope

Empowering parents, children, caregivers, and families on their road to recovery and family well-being

Maintaining Independence and Sobriety through Systems Integration, Outreach, and Networking (MISSION)-Hope

About Us

MISSION-Hope is a grant funded program offered through the Franklin Family Drug Court and provides parents, children, caregivers, and families within the court evidence-based treatment and helpful wrap-around services tailored to each family's unique needs. Services are provided for up to 12 months by the Hope care team, which includes a Case Manager, Peer Support Specialist, Family Social Worker, and Nurse. The goal of our program is to assist parents in their recovery, enhance parenting and caregiver skills, and strengthen child and family well-being.

Eligibility

We welcome all parents who: Are above the age of 18, eligible for the Franklin Family Drug Court, and would benefit from individual and family treatment and supports in addressing co-occurring substance use and mental health issues.

Program Requirements

Throughout the program, parents and families will complete a comprehensive assessment at enrollment, 6 and 12-months post-enrollment to assess and track their needs. Parents will meet with their Case Manager for 13 weekly Dual

Recovery Therapy sessions, and with their Peer Support Specialist for 11 Peer Recovery sessions. Upon completion of these sessions, parents will complete 17 Nurturing Families in Substance Abuse Treatment & Recovery sessions, focused on parenting.

Program Services

The Hope care team will also provide hands-on treatment, support, and connections for the whole family. We will help you and your family with your medical, vocational/educational, housing, benefits (e.g. SNAP), transportation, and behavioral health needs.

Referrals can be made to MISSION-Hope by:

Juvenile Court Probation Officers & Probate and Family Court Probation Officers

Please talk with your attorney, probation officer, or the Court Service Center for more information about MISSION-Hope.
